

# Sayers Dance Centre - Holiday Classes

There will be a number of classes taking place at Sayers Dance Centre in January for all ages and in various genres.

These classes are not restricted to Sayers students so children are welcome to bring their friends (as long as they meet the criteria for the class).

Classes are subject to minimum numbers and subject to change depending on enrolments.

If you would like to book, we ask that existing students use their customer portal and all others please use the website.
