

2025 CONCERT HELPERS

You are receiving this email because you have a child or children performing the same dance/s multiple times, meaning you can see the same item/s in more than one show.

We therefore ask that you please watch all your children's dances in one or two shows and help backstage in the other/s. We are counting on you!

It is of paramount importance to us that there is plenty of supervision at the concert, especially for the younger children so we **URGENTLY** need Mothers/Grandmas/Aunts/Guardians backstage to help dress and look after the children.

We honestly can't do this without your help, and we are relying on **EVERY** parent or guardian who has children in multiple shows. Please remember when your child was younger, they were helped by our wonderful volunteers so that you could relax and enjoy your child's performance.

So please think about which show you would like to help at, and which show you will buy tickets for. Once you have decided, we would be grateful if you could let us know as soon as possible so that we can start working on the backstage rosters.

Please note: There will be a **\$70 dressing room levy** if you are unable to help with the performances. This will go toward hiring extra staff to help.

Thank you in advance for your help in making this a fun and successful Concert
